APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the Las Vegas Artesian Basin (underground source) as heretofore granted under Permit No. 9992 is issued subject to the terms and conditions imposed in said Permit No. 9992 and with the understanding that no other rights on the source will be affected by the change proposed herein. A meter must be installed in the discharge pipe line, near the point of diversion, and accurate measurements must be kept of water placed to beneficial use. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.256 cubic foot per second.

Actual construction work shall begin on or before July 3, 1956

Proof of commencement of work shall be filed before August 3, 1956

Work must be prosecuted with reasonable diligence and be completed on or before July 3, 1957

Proof of completion of work shall be filed before August 3, 1957

Application of water to beneficial use shall be made on or before

July 3, 1961. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 3, 1961.

Proof of commencement of work filed AUG 6 1956

Proof of Completion of work filed AUG 6 1956

WITNESS MY HAND AND SEAL this 3rd day
